I RETURN TO THE WEST BANK, GAZA AND ISRAEL: A FUNDRAISER FOR SKIP SCHIEL

A slideshow about Quaker and American Friends Service Committee work in the region since 1869 and Skip's projects there over the past 12 years—plus his upcoming trip.

He leaves in early March for 3 months to continue making photos that show conditions and struggles for justice, peace, security and reconciliation. He will coordinate with his Quaker Meeting's efforts to respond to the situation in Palestine-Israel.
